20. Appeals

Any appeal or protest should be addressed to the race jury in the measure pretended in the regulations and should be accompanied by the fee as fixed by the FCI and UCI regulation.

21. Event cancellation

The Organising Committee reserves the right to make changes to the regulations, to the course and race conditions itself.

The event will take place irrespective of weather conditions provided that there is no risk to the health or safety of the participants. The Organising Committee retains the right to interrupt or cancel the race.

Should the race be cancelled for circumstances beyond the control of the Organisers or for Acts of God, the entry fee will not be refunded nor used for the following year's fee. All details with regard to such circumstances will be published on the internet or in loco during the race itself.

22. Variations

The Organising Committee reserves the right at any moment and in any circumstance to make changes to the regulations.

Internet is the official medium for event information and as such all official event communications will be found there.

23. Right and obligations of participants

The number and the chip, provided by the Organisation, has to be fixed to the handlebars in a clearly visible manner. The number cannot be modified or changed in any way. Bikers must wear a hard safety approved helmet which must be kept fastened throughout the race. Road safety regulations must be respected

throughout. The participants stopped at the gates of any time limit are required to deliver their race number and chip to the person appointed for such purpose.

Any biker not arriving at the starting grid 10 (ten) minutes prior to their fixed start will automatically be allocated to the final starting grid. All bikers must carry with them a puncture kit. Furthermore, all are required to keep with them an ID throughout the whole race. It is strongly advised that bikers should carry with them a change of clothing and a cape to provide against inclement weather conditions.

Bikers are required to move aside to allow faster bikers to overtake. Extreme prudence is to be exercised in parts of the race with poor visibility.

Any stop for repairs must be made in a clearly visible area away from the main race route. Participants who quit the race have to give such communication to the Organisation and hand the number back to the next security controller along the route. No change of lane is allowed in the final approach to the finishing line and a violation of this stipulation will lead to the biker being disqualified.

24. Disqualification

Any biker found to be taking part with the race number of another, to have passed one's race number to another, to have started from a grid proceeding that assigned, or guilty of other serious offence as determined by the Organisation Committee will be immediately excluded from the event and any position in race classification will be cancelled, and the biker may be subject to a ban from participating in future editions of between two and five years.

The above-mentioned measures will be adopted by the Organisation. Bikers are reminded of their duty not to throw litter on the course route and to make use of the rubbish points at the beginning and end of each refreshment point. Bikers throwing litter on the ground and not making use of the services provided will be disqualified. It is severely prohibited to use any form of electric or electronic support on the bike itself and any biker found to have done so, will be disqualified or removed from the final race classification. Tandems are not allowed.

25. Responsibility

All participants in the HERO Südtirol Dolomites participate at their own risk. The enrolment, even if done by a third party on one's behalf, infers and provides that the participant accepts to waive any right, direct, or of third parties, against the Organising Committee and all individuals or organisations involved in the event. Furthermore, by enrolling in the event the participant declares to be sufficiently in form to face the challenge required to complete the race.
